

# UNIVERSAL HART Calibrator/Communicator IEEPL1133HHC

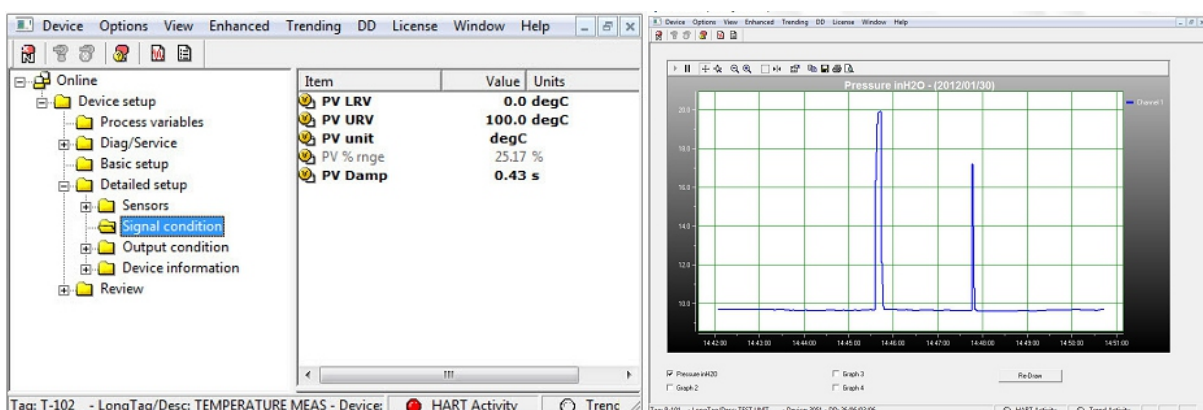

The IEEPL1133HHC is a standalone tablet based HART® communication tool. The tablet configured with all standard manufactured DD/DTM files to communicate with HART transmitter & Calibrate. It comes with wireless or wired HART modem that connects directly to the HART transmitter being tested or configured.

## Benefits:

- ❖ Perform complete HART® device configurations using your Windows Desktop Laptop, or Tablet PC ( Touch screen or through keypad ) .
- ❖ Uses the registered DD files from the FieldComm Group.
- ❖ Complete access to all features of the device DD including Methods.
- ❖ Monitor PV, Multi-variables, and Device Status.
- ❖ View and edit device Variables.
- ❖ The most cost-effective DD based HART communication solution available.
- ❖ Uses Procomsol DD library & Driver for universal communication/calibration.

## Features:

- ❖ Windows Explorer menu layout.
- ❖ Device menu structure easy to navigate.
- ❖ Get to the information you want quickly.
- ❖ Communication and Event Logs.
- ❖ Save configurations as text file and PDF file for documenting the device .
- ❖ Write saved configurations to devices.
- ❖ Trend process variables as well as any other parameter associated with the device .
- ❖ Complies with the Enhanced DDL standard (IEC 61804-3).
- ❖ Supports HART 7, WirelessHART® devices, and HART-IP.
- ❖ Comes with ALL the latest registered DD's from the FieldComm Group.
- ❖ Multiple language support.
- ❖ No tag limits

## Specifications:

- ❖ Operating System Windows XP (Note: supports Windows versions 7 to 10)/ Android.
- ❖ Processor Speed Pentium, 600 Mhz .
- ❖ Memory 256 MB (Internal memory can be upgrad up to 16 GB or higher).
- ❖ Hard Disk Space 1.6 GB .
- ❖ Communication Port USB/ RS232/ Bluetooth or Ethernet .

## Device Descriptions (DD's) :

- ❖ DD Library Included.
- ❖ Generic DD Included.
- ❖ Current Library DD Updates.
- ❖ Hard Disk Space 1.6 GB .
- ❖ Communication Port USB, RS232, Bluetooth, or Ethernet .

## Optional Available:

- ❖ Soft Carrying Case.
- ❖ Hard Carrying Case.
- ❖ USB/wireless modem.
- ❖ Test leads .
- ❖ Keyboard.
- ❖ Any customized accessories .

**Included Assessories:** Modem with alligator clip, Software, user-manual, soft carrying case, Charger/power adaptor.
